

Title: Notice of Review – ICIA/2026/002

Caledonian MacBrayne has received a valid application for review under the *Island Communities Impact Assessments (Publication and Review of Decisions) (Scotland) Regulations 2020*.

Decision under review

Changes to the Largs-Cumbrae timetable for Winter 2026, which arose from the requirement to cease simultaneous loading operations under health and safety grounds and introduce planned maintenance time on the deployed vessels

Ground(s) of review

The application has been made on the following ground(s):

The applicant disagrees with Caledonian MacBrayne's published explanation for not preparing an island communities impact assessment.

Documents

The application for review and associated documents may be published here:

<https://corporate.calmac.co.uk/communities/consultations-at-caledonian-macbrayne/reviews>

Written representations

Written representations may be made by any person in relation to this review.

Representations must be received by 18/09/2026, being not less than 14 working days after the date of publication of this notice. The notice-and-representations stage is required by regulation 7.

Representations should be sent to:

icia@calmac.co.uk

A copy of any written representations received will be sent to the applicant for comment. Names, contact details and signatures will be removed before publication.
